Upholding Authenticity

SCOPE OF THE ANTI-COUNTERFEIT AUTHORITY QMS

PRODUCTS AND SERVICES:

The Anti-Counterfeit Authority shall provide consistently high quality services that meet the customer and applicable statutory and regulatory requirements in combatting counterfeiting through enforcement, conducting research, creating public awareness, conducting training and coordinating with relevant organizations in the enforcement of intellectual property rights (IPRs) at its headquarters located in Nairobi and regional offices located in Mombasa, Nyeri, Kisumu and Eldoret.

APPLICABILITY

- The Authority shall apply all the requirements of the ISO 9001:2015 standard except clause 7.1.5.2 on “measurement traceability”.

JUSTIFICATION

- The Authority does not have a measurement equipment within its operations.
